

***To whom it may concern:***

We hereby request to establish a partnership or relationship with your school governing body (parents, teachers and learners) in creating endless opportunities and possibilities in empowering you and them through our service.

***Who/what is Lalinka Consultancy?***

Lalinka is a transformation company that empowers individuals and groups in relating. We facilitate and create a conducive foundation that leads to dialogue/engagement and thereby expanding awareness of self in experiencing relatedness in all social spheres.

***What services are being provided by Lalinka Consultancy?***

*Our core business is coaching; supporting self-development on personal and professional level.*

***We position Parents to be impeccable within their roles and responsibility******We enhance character for children***

Our website: [www.lalinka.co.za](http://www.lalinka.co.za)

**What keep us ahead of the pack?** Life changing lessons e.g. *using anger energy to execute your passion.*

***Our Conduct:***

- We endeavour to be professional and effective in our sessions.
- We are bound and follow the International Coaching Federation Ethics and Competences
- We are in full respect and awareness of South African diversity and social dynamics or challenges (bullying, spanking, drugs and etc.)

***Our wish:***

To empower teachers, parent and pupils alike to have high self-esteems and conduct themselves consciously in all their engagement or relations, within their communities and to positively influence the society at large.

We hope that you would approve of our request and initiate dialogue on how we may support your school.
